The Four Perspectives

Narrative - 

"A turbulent, swirling sky dominates the scene, set above a quiet village sleeping under a crescent moon..."

Formal - 

"The composition employs powerful diagonal and circular brushstrokes to create rhythmic movement across..."

Emotional - 

"An atmosphere of profound anxiety and awe pervades the scene — the writhing sky evokes both terror..."

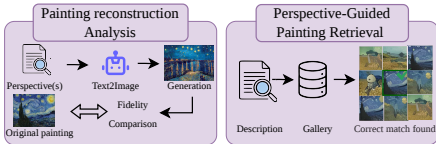

Historical - 

"Characteristic of Van Gogh's late period at Saint-Rémy(1889), reflecting his psychological..."

Unified Caption:

"Painted at Saint-Rémy in 1889, Van Gogh's *The Starry Night* depicts a swirling nocturnal sky above a sleeping village, anchored by a dark cypress rising from the left foreground. Powerful circular brushstrokes and a deep blue-indigo palette animate the heavens with radiant yellow halos..."
